

# Welke breuk is even groot?

## Doorstroomtoets

$\frac{8}{10}$  is hetzelfde als:

- $\frac{16}{30}$         $\frac{18}{25}$   
  $\frac{3}{4}$         $\frac{4}{5}$

Vereenvoudig de breuk:

$$\frac{16}{24} = \frac{\boxed{\phantom{000}}}{\boxed{\phantom{000}}}$$

$\frac{1}{3}$  is hetzelfde als:

- $\frac{9}{27}$         $\frac{7}{15}$   
  $\frac{8}{18}$         $\frac{5}{9}$

Vereenvoudig de breuk:

$$\frac{65}{35} = \boxed{\phantom{00}} \frac{\boxed{\phantom{00}}}{\boxed{\phantom{00}}}$$

$\frac{4}{9}$  is hetzelfde als:

- $\frac{32}{72}$         $\frac{9}{18}$   
  $\frac{25}{54}$         $\frac{15}{27}$

Vereenvoudig de breuk:

$$\frac{64}{56} = \boxed{\phantom{00}} \frac{\boxed{\phantom{00}}}{\boxed{\phantom{00}}}$$

Kleur de breuken die even groot zijn:

- $\frac{15}{21}$        $\frac{5}{9}$        $\frac{25}{35}$        $\frac{20}{28}$        $\frac{15}{20}$        $\frac{75}{105}$        $\frac{10}{14}$

$\frac{8}{10}$  is hetzelfde als:

- |                          |                 |                                     |                 |
|--------------------------|-----------------|-------------------------------------|-----------------|
| <input type="checkbox"/> | $\frac{16}{30}$ | <input type="checkbox"/>            | $\frac{18}{25}$ |
| <input type="checkbox"/> | $\frac{3}{4}$   | <input checked="" type="checkbox"/> | $\frac{4}{5}$   |

Vereenvoudig de breuk:

$$\frac{16}{24} = \frac{\boxed{2}}{\boxed{3}}$$

$\frac{1}{3}$  is hetzelfde als:

- |                                     |                |                          |                |
|-------------------------------------|----------------|--------------------------|----------------|
| <input checked="" type="checkbox"/> | $\frac{9}{27}$ | <input type="checkbox"/> | $\frac{7}{15}$ |
| <input type="checkbox"/>            | $\frac{8}{18}$ | <input type="checkbox"/> | $\frac{5}{9}$  |

Vereenvoudig de breuk:

$$\frac{65}{35} = \frac{\boxed{1}}{\boxed{7}} \frac{\boxed{6}}{\boxed{5}}$$

$\frac{4}{9}$  is hetzelfde als:

- |                                     |                 |                          |                 |
|-------------------------------------|-----------------|--------------------------|-----------------|
| <input checked="" type="checkbox"/> | $\frac{32}{72}$ | <input type="checkbox"/> | $\frac{9}{18}$  |
| <input type="checkbox"/>            | $\frac{25}{54}$ | <input type="checkbox"/> | $\frac{15}{27}$ |

Vereenvoudig de breuk:

$$\frac{64}{56} = \frac{\boxed{1}}{\boxed{7}} \frac{\boxed{1}}{\boxed{8}}$$

Kleur de breuken die even groot zijn:

$$\frac{\cancel{15}}{\cancel{21}}$$

$$\frac{5}{9}$$

$$\frac{\cancel{25}}{\cancel{35}}$$

$$\frac{\cancel{20}}{\cancel{28}}$$

$$\frac{15}{20}$$

$$\frac{\cancel{75}}{\cancel{105}}$$

$$\frac{\cancel{10}}{\cancel{14}}$$
